I. Quranic Teaching on Jihad

I.1 Four Stages of Quranic teaching on Jihad¹

- The subject of Jihad or struggle in the cause of God is one of the major themes of the Quran.
- The Qurans recited in Mecca contained no instructions about fighting in spite of the severe persecution
- The teaching about Jihad or fighting "in the way of Allah" began to develop in Medina
- The following Qurans about Jihad are chronological order

I.1.1 STAGE ONE: (IN MECCA) - NO RETALIATION

And have patience with what they say, and leave them with noble (dignity). And leave me (alone to deal with) those in possession of the good things of life, who (yet) deny the truth, and bear with them for a little while. Quran 73:10,11 <3>

(be patient and bear with those who deny the truth)

So leave them alone until they encounter that day of theirs, wherein they shall (perforce) swoon (with terror) ... And verily, for those who do wrong, there is another punishment besides this...Now await in patience the command of thy Lord, for verily thou art in Our eyes.

Quran 52:45,47,48 <76>

(leave them alone and wait in patience for the Lord to punish them)

I.1.2 STAGE TWO: (FIRST INSTRUCTION IN MEDINA)

- DEFENSIVE FIGHTING PERMITTED

To those against whom war is made permission is given (to fight), because they are wronged, and verily, Allah is most powerful for their aid. Quran 22:39 <103>

(permission is given to go to war to defend themselves)

Those who leave their homes in the cause of Allah, and are then slain or die, on them will Allah bestow verily a goodly provision. Truly Allah is He who bestows the best provision. Quran 22:58 <103>

(rewards for those who die in jihad)

I.1.3 STAGE THREE: (REVISED INSTRUCTION IN MEDINA)

- DEFENSIVE FIGHTING COMMANDED

Fight in the cause of Allah those who fight you, but do not transgress limits; for Allah loveth not transgressors. And slay them wherever ye catch them, and turn them out from where they have turned you out for tumult and oppression are worse than slaughter; But fight them not at the Sacred Mosque unless they (first) fight you there; but if they fight you, slay them. Such is the reward of those who suppress faith. But if they cease, Allah is oft-forgiving, most merciful. And fight them on until there is no more tumult or oppression, and there prevail justice and faith in Allah; but if they cease, let there be no hostility except to those who practice oppression. Quran 2:190-193 <87>

(Fight defensively against an attack from fellow Arab Meccan opponents until persecution is stopped and Islam is established)

Let there be no compulsion in religion... Of those who reject faith the patrons are the Evil Ones. From light they will lead them forth into the depths of darkness. They will be companions of fire, to dwell therein (for ever). Quran 2:256,257 <87>

(Don't force those defeated to become Muslims, but if they reject Islam they will suffer in hell.)

Quran 8:12,13,15-18 <88>

(cut the necks and fingers of those who opposed Allah and Mohammad and never turn your backs)

Quran 8:38-42 <88>

(Keep fighting them until they stop persecuting believers and until Islam is established. If they stop fighting then stop. Now, a fifth of all the booty belongs to Allah and His leader.)

Quran 47:4-6 <95>

(Cut their necks, subdue them, then be generous. Martyrs will receive paradise where there are rivers of water, milk, wine and honey plus fruits)

And if ye are slain, or die, in the way of Allah, forgiveness and mercy from Allah are far better than all they [unbelievers] could amass.

Quran 3:158 <89>

... Those who have left their homes, or been driven out therefrom, or suffered harm in my cause, of fought or been slain, verily, I will blot out from them their iniquities, and admit them into gardens with rivers flowing beneath - a reward from the presence of Allah, and from His presence is the best of rewards **Quran 3:195 <89>**

(Martyrs have their sins blotted out and go to paradise)

Quran 4:24 <92>

Also prohibited are women already married, except those whom your Right hands possess (women caught in war). ...

Quran 61:4,11-13 <109>

(Allah loves those who fight in His cause without wavering. He will give speedy victory, forgiveness of sins and admission to paradise to those who fight with all they have.)

I.1.4 STAGE FOUR: (AFTER CONQUERING MECCA) - OFFENSIVE WAR COMMANDED TO KILL THE PAGANS AND HUMBLE THE CHRISTIANS AND JEWS:

Quran 9:1-6 <113>

(Dissolve all treaties with those pagans who haven't kept them, giving them four months notice. But keep your treaties with other idol worshipers till the end of the time agreed upon. In the future, make no more treaties with pagans, but kill those who do not receive Islam.)

Quran 9:19-22 <113>

(Jihad is greater than other service, and of the highest rank in the sight of God)

O ye who believe! Take not the Jews and the Christians for your friends and protectors. They are but friends and protectors to each other. And he amongst you that turns to them (for friendship) is of them. Verily Allah guideth not a people unjust. Quran 5:54 <112>

(Don't befriend Jews or Christians because they are unjust and unreliable)

Fight those who believe not in Allah nor the last day, nor hold that forbidden which hath been forbidden by Allah and His Apostle, nor acknowledge the religion of truth, (even if they are) of the people of the Book, until they pay the jizya with willing submission, and feel themselves subdued. The Jews call Uzair [Ezra] a son of God, and the Christians call Christ the Son of God ... Allah's curse be on them ... (because they believe Uzair and Jesus as God).

Quran 9:29-31 <113>

(fight against non-Muslims including Jews and Christians until they are subdued, because Allah's curse is on them)

I.2 Doctrine of Abrogation

- From the previous slides we have found that there are contradictions between the earlier and later Quranic teachings regarding Christians Salvation and Jihad
- Islamic scholars had invented the **Doctrine of Abrogation** to resolve the contradictions based on the following Qurans

Quran 2:106 <87>: *"None of our revelations (verses) do we abrogate or cause to be forgotten, but we substitute something better or similar. Knowest thou not that Allah hath power over all things?"*

Quran 13:39 <96>: *"Allah doth blot out or confirm what he pleaseth. With Him is the Mother of the Book.";*

Quran 16:101 <70>: *"When we substitute one revelation for another, - and Allah knows best what He reveals (in stages), - they say, 'Thou are but a forger' but most of them understand not."*

I.2.1 Doctrine of Abrogation on Jihad – Basis for Islamic Terrorism

Quran 73:10,11 <3>

(be patient and bear with those who deny the truth (Islam))

Quran 8:12,13,15-18 <88>

(cut the necks and fingers of those who opposed Allah and Mohammad and never turn your backs)

Quran 3:195 <89>

(Martyrs have their sins blotted out and guarantee them to go to paradise)

Quran 4:24 <92>

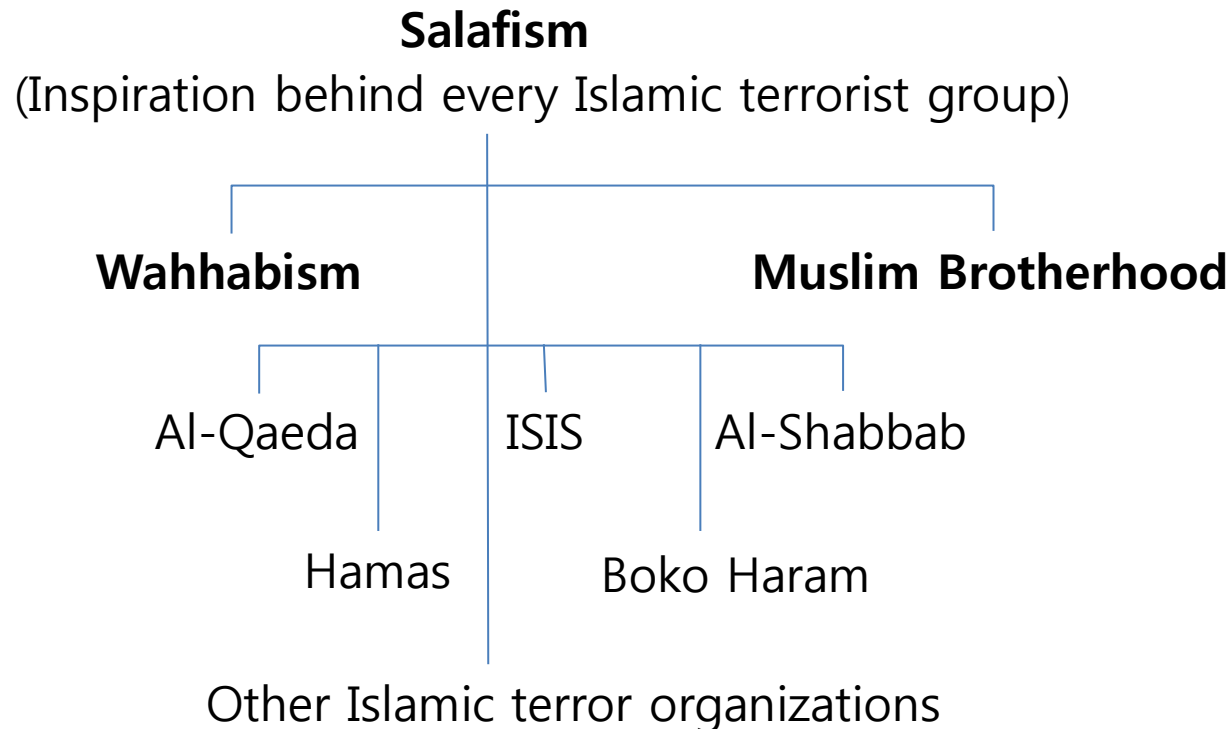

(You can take women in war as your concubine (or sex slave))

Quran 9:29-31 <113>

(fight against non-Muslims including Jews and Christians until they are subdued, because Allah's curse is on them)

The Quran 73:10-11 is abrogated by the other four Qurans above. Therefore, Islamic terrorists have Quranic basis to kill non-Muslims as Jihad and take women in war as their sex slave but they are assured to go to Heaven

II. Father of modern Islamic terrorism²

II.1 Salafism:

- Salafism is a movement which emphasizes close adherence to Muhammad and the first few generations after him
- Promote aggressive Jihad for expanding Islam by the swords and political dominance of Muslims over non-Muslims following the example of Muhammad
- Opposes everything which is not based on the best example of Muhammad
- Rejects all western thoughts including economics, education, ethic and politics
- Salaf doctrine was expressed by ibn Taymiya (1263-1328 AD)

II.2 Wahhabism:

- The official religious ideology of the Saudi state – a form of Salafism
- Saudi is active in funding and promoting Wahhabism all around the world
- Saudi is funding for constructing mosques and teaching Salafi through TV, website and publication all over the world
- Compels Muslims to follow the religious duties (Jihad)
- Arose in 1700's by Muhammad ibn Al' Wahhab in Arabia

II.3 Muslim Brotherhood:

- Strict adherence to the example and teaching of Muhammad
 - One of Salafi movement
 - Founded in 1928 by Hassan al-Banna
- Engage with and challenge the modern western thought
- Willing to work with other Muslims and tempering ideology with pragmatism
- Has strong appeal to and actively recruits Muslim professionals and intellectuals – mostly western educated
- Gaining favor in US government as a counterpart to violent Islamic terrorists (ISIS, Al Queda, etc.)
- **Penetrate America without violence and transform gradually into Islam world ruled by Sharia law – Civilization Jihad**

III. Ideology of ISIS³

"Caliphate" through violence

"One should remember that enslaving the families of the kuffar (the infidels) and taking their women as concubines is a firmly established aspect of the Shariah, or Islamic law (Quran 4:24)," the ISIS group says in an online magazine

III.1 Devotion:

- ISIS is closely identified with the jihadist wing of a branch of Sunnism called Salafism
- Salafis honor and emulate as the models for all behavior of Muhammad and earliest adherents, including warfare, couture, family life, even dentistry
- Virtually every major decision and law promulgated by the ISIS follow the prophecy and example of Muhammad, in punctilious detail
- ISIS acknowledged Abu Musa'b al Zaraqawi, the brutal head of al-Qaeda in Iraq from roughly 2003 until his killing in 2006, as a more immediate progenitor

(continue to next page)

III.1 Devotion: (continue)

- Denying the holiness of the Quran or the prophecies of Muhammad is straightforward apostasy
- But Zarqawi and the ISIS take the position that many other acts described below can remove a Muslim from Islam including
 - Selling alcohol or drugs, wearing Western clothes or shaving one's beard, voting in an election—even for a Muslim
 - ISIS regards Shiism as innovation, and to innovate on the Quran is to deny its initial perfection
 - That means roughly 200 million Shia are marked for death
 - The heads of state of every Muslim country, who have elevated man-made law above Sharia law made by God are also marked for death
 - Following *takfiri* (apostacy) doctrine, the ISIS is committed to purifying the world by killing vast numbers of people

III.2 Legitimate caliphate:

- Should have territory to fully enforce Islamic law, which requires stoning, slavery and amputations
- Should be descended from the tribe of the Prophet, the Quraysh
- Al Baghdadi satisfies all those conditions
- After Baghdadi's declaration of caliphate, a stream of jihadists began flowing daily into Syria with renewed motivation

III.3 Territory:

- All Muslims are obliged to immigrate to the territory where the caliph is applying Sharia laws
- Tens of thousands of foreign Muslims are thought to have immigrated to the ISIS
- Recruits hail from France, the United Kingdom, Belgium, Germany, Holland, Australia, Indonesia, the United States, and many other places
- Many have come to fight, and many intend to die
- Online recruitment has also widened the demographics of the jihadist community, by allowing conservative Muslim women to reach out to recruiters, radicalize, and arrange passage to Syria
- Through its appeals to both genders, ISIS hopes to build a complete society

III.4 The Apocalypse:

For ISIS, the End of Days is a leitmotif of its propaganda

- During the last years of the U.S. occupation of Iraq, the ISIS's immediate founding fathers saw signs of the end times everywhere
- They were anticipating, within a year, the arrival of the Mahdi- a messianic figure destined to lead the Muslims to victory before the end of the world

ISIS's belief about the last day:

- There will be only 12 legitimate caliphs, and Baghdadi is the eighth
- The armies of Rome will mass to meet the armies of Islam in the Syrian city of Dabiq, near Aleppo
- After its battle in Dabiq, the caliphate will expand and sack Istanbul
- An anti-Messiah, known in Muslim apocalyptic literature as Dajjal, will come from the Khorasan region of eastern Iran and kill a vast number of the caliphate's fighters, until just 5,000 remain, cornered in Jerusalem

(continue to next page)

- Just as Dajjal prepares to finish them off, Jesus will return to Earth, spear Dajjal, and lead the Muslims to victory
- ISIS has attached great importance to Dabiq
- Now that it has taken Dabiq, the ISIS awaits the arrival of an enemy army there, whose defeat will initiate the countdown to the apocalypse

III.5 The Fight

- ISIS's goal is to establish an Islamic state that doesn't recognize borders, on the Prophetic methodology
- ISIS has already taken up what Islamic law refers to as "offensive jihad," the forcible expansion into countries that are ruled by non-Muslims.
- The waging of war to expand the caliphate is an essential duty of the caliph
- Islamic law permits only temporary peace treaties, lasting no longer than a decade
- To send an ambassador to the UN is to recognize an authority other than God's

(continue to next page)

- ISIS has an obligation to terrorize its enemies—a holy order to scare the enemy with beheadings and crucifixions and enslavement of women and children, because doing so hastens victory and avoids prolonged conflict
- A few “lone wolf” supporters of the ISIS have attacked Western targets, and more attacks will come
- Most of the attackers have been frustrated amateurs, unable to immigrate to the caliphate because of confiscated passports or other problems

IV. Recent Islamic terrorisms in US and abroad

IV.1 Domestic terrorism:

Orlando Night club attack on June 12 2016:

- Omar Mateen 29 years old US born. Parents from Afghanistan, Raised as Muslim.
- Since 2007, a security guard for G4S Security Solution.
- Divorced his wife and had gay life.
- Reason to attack: US involvement in destroying ISIS and killing Muslims

Chattanooga Attacker: 2015

- Muhammad Abdulazeed born in Kuwait 1990, to US in 1996, US citizen in 2003.
- Employed with Superior Essex as a supervisor for its Franklin office,
- Had drug alcoholic problem, attended mosque regularly before shooting.
- Searched online about martyrdom, and had been wondering whether becoming a martyr would absolve him of his sins.
- Hours before the shooting, he texted to a friend that read, "Whosoever shows enmity to a friend of mine, then I have declared war against him"

San Bernardino attack 2015:

- Syed Rizwan Farook , Parkinstani descendant, born in US
- Worked as a health department employee, homegrown violent extremists
- Inspired by ISIS, pledged to Abu Bakr al-Baghdadi

Fort Hood shooting 2009:

- Nidal Hasan, unmarried, a US army major and psychiatrist
- Fatally shot 13 people and injured more than 30 others
- Born in the United States, Hasan is a practicing Muslim, became more devout after the deaths of his parents in 1998 and 2001
- Hasan wrote that he was required to renounce any oaths that required him to defend any man-made constitution over the commandments mandated in Islam.
- He further explained that separation of Church and State is an unacceptable attempt to get along with unbelievers, because **"Islam was brought to prevail over other religions" and not to be equal with or subservient to them**

IV.2 Recent terrorisms abroad:

Nice France attack 2016:

- Mohamed Lahouaiej-Bouhlel, a Tunisian residence of France, 31 years old
- Drove over people with a cargo truck, killed 84 people and injured 303
- Had 3 children, after divorced, had sex with both men and women
- Radicalized shortly before the attack and transformed quickly to radical
- Recently has been indoctrinated by an Algerian Islamic State in Nice

Dhaka Bangladesh attack on July 1, 2016:

- Eight to 10 armed men entered the restaurant, killed about 20 foreigners
- They are in their late teens or early 20s, identified as wealthy men from Bangladesh's elite families, enjoyed affluent western style life
- Officials think the attackers may have foreign links including ISIS

IV.3 Impact of Medina Quran on Domestic Islamic terrorisms

- All the domestic terrorists were US citizens, enjoyed US life
- Attackers of Orlando, Chattanooga and Nice had western style free lives and worried their life styles might be unacceptable by their religion
- The Dhaka killers from affluent families might be brainwashed to believe their western life styles were not acceptable to Allah for Heaven
- San Bernardino and Fort Hood killers believed that US is the country opposing Allah and Muhammad and so is the object of Jihad.
- They believed killing non-Muslims was Jihad (Quran 8:12,13,15-18, Quran 9:29-31) and guaranteed them to go to Heaven (Quran 3:195) with their sins being blotted out
- Those terrorists were inspired by the terrorist groups (Al-Qaeda, Hamas, ISIS, Al-Shabbab, Boko Haram) which are adherents of Muhammad and Quran in Medina

IV.4 What to do?

- Islamic terrorism is not necessarily due to the poor living conditions of young Muslims but is due to their religious conviction
- The Medina Qurans and the doctrine of abrogation give the Islamic terrorists solid theological ground for their terrorisms
- Young Muslims enjoying western life styles are easily brainwashed to join in Islamic terrorism as they believe their life styles are not acceptable to Allah and martyr for Jihad is a sure way for their sins to be forgiven and for them to go to Heaven
- Young Muslims from the families of secularist or modernist can be easily recruited by Jihadists because of the Medina Qurans
- Islamic terrorism cannot be defeated with military power only
- We need to educate young Muslims:
 - Educate them Medina Qurans are not applicable in modern society
 - Provide a Good News and ultimate hope in Jesus

V. Muslim Brotherhood⁴

(Stealthy Jihadist)

Caliphate through a gradual, termite-like approach

"Muslim Brotherhood's work in America is a kind of grand jihad in eliminating and destroying the Western civilization from within and 'sabotaging' its miserable house by their hands and the hands of the believers..."

V.1 Five stages of Islamization of America by Muslim Brotherhood

Phase 1: Arrival

When Muslims arrive in US they keep low profile. Many quietly work as students, business owners, and other professionals

Phase 2: Recognition

When a sufficient number of Muslims gather, Muslim Brotherhood requests recognition of Sharia law being applied within their own community

Phase 3: Penetration

When Muslims gain critical mass, they begin to penetrate the host city

- Lobby the government and support (pro)Muslim political candidates
- File lawsuit against alleged Islamophobia, place imams as chaplains in armed forces, pressure public school with Muslim students to pray toward Mecca

Phase 4: Confrontation

When Muslim become a significant minority, they demand incorporating Sharia law into the legal system of the host city with threat and violence

Phase 5: Imposition

When the Muslim population becomes majority and/or Islam gains control of a nation Sharia law is imposed on the host society

V.2 Influence of Muslim Brotherhood on US⁵

- Penetrate the highest level of US government with security clearance advising classified counter-Islamic terrorism programs and influence the government
- Deleting Islam's violent nature from FBI counter-terrorism manuals
- Requiring written communication between and from government agencies to be more "Islam-friendly"
- Pushing for the prosecution of criticizing Islam as hate crimes
- Increasing number of public university continue to build Muslim only washing facilities
- To attract and manage Middle Eastern Muslim wealth, an increasing number of US financial institutions are becoming Sharia-compliant

V.3 Muslims show of force in US cities^{6,7}

Dearborn, Michigan:

- Roughly 30% of its residence are Muslims
- Several years ago the city council voted 4-3 to become the first US city to officially implement all aspect of Sharia law
- The city high schools hold girls only proms because Muslim girls are not allowed to socialize or dance with boys.
- Christian students are banned from having Christmas parties, prayer meetings, but Muslims are allowed to pray in school and hold Islamic proms
- Several evangelical Christians were arrested for "disorderly conduct" at Dearborn's Arab festival for simply passing out Christian literature
- On 31 July 2006, 3,500 Dearborn Muslims marched in support of Hezbollah and shouted: "Jews are diseased!"
- ACLU, Freedom From Religion Foundation, Americans United for Separation of Church and State remain silent about what is happening in Dearborn

Hamtramck, Michigan:

- The Hamtramck city council voted unanimously in April 2004 to allow the five-times-per-day Muslim call to prayer to be broadcast over city's loudspeakers although hundreds of long-time residents of city protested
- Prior to the city council making its decision, public input from any citizens (except Muslims) had not been allowed

Other cities:

- A Skokie School district in Illinois celebrates a Muslim holiday as a school holiday and many public high schools are holding Islamic prayer
- In 2014, Rocky mountain High school of Colorado was first to recite the pledge of Allegiance in Arabic, replacing "one nation under God" with "one nation under Allah".

V.5 Muslims in various categories¹⁰

(from www.IslamicStateOfAmerica.com)

Secularists: Reject Islam as a guiding force in their lives

Modernists: "West is best" approach to Islam

Traditionalists: Islam as a source and treasure to be wisely adapted to the modern world

Fundamentalists: Literalists who strive to obey the Quran and Hadith, while ignoring or rejecting many of the classical traditions of Islam

Jihadists: Militant Muslims to espouse violence to force all peoples under Sharia law. Any Muslims who resists are apostate and even violence is warranted to coerce their submission

V.6 What to do?

- Muslim Brotherhood gains strong appeal to Muslim professionals and western educated intellectuals
- They Penetrate America without violence and transform gradually into Islam world ruled by Sharia law – Civilization Jihad
- They gain favor in Obama government as a counterpart to violent Islamic terrorists (ISIS, Al Queda, etc.)
- Many US cities and schools already adopt a part of Sharia law
- We need to aware of Muslim Brotherhood, stealthy Jihadists, sneaking into US and local governments to implement Sharia law
- We need to aware that their ultimate goal is to change our society to Sharia law abide society and then control us with Islam ideology
